

NKA tender

NKA tender – 30.07.2010.

☒ Mezőkövesd Town Library of KÖZKINCS-TÁR Nonprofit Ltd has won 2 million HUF with its Library Technical College tender from the National Cultural Fund for service area expansion.

The computer room has been already equipped with the computers won with the TIOP 1.2.3/09/1 tender. Here readers have computer and Internet access (Windows 7 operating system, Microsoft Office 2010)

When designing the local history search room , our main goal was to store the collection of local documents in one room, and that in the same place provide space for readers to research and learning.

The library reading room is increased by nearly 50m² to serve our readers.
