- to organize cultural events, exhibitions, readers' meetings
- to support publishing local history books
- publishing
- to research and scan local history documents
- to finance trainings and retrainings
- to finance contests for the young
- to provide cultural entertainment for the regional population
- to ensure the cultural entertainment and educational information for the adult population
- to ensure the needed documents for adult trainings and retrainings
- to seek ways of help to achieve the goals, find funds and make tenders
- to ensure attainment of EU-related information
- to help civil servants , Senior Club and Retired Teacher's Club activities
- to appreciate the work of the librarians

The local history book ' In the footsteps of the Matyó traditions' by József Bán was published by the foundation in 2008 ( still available in the library). Also the foundation

financially supported the children's programs and the European Union Quiz. Supply materials were bought for the children and the EU quiz was supported with book vouchers.
